Dear

RE: Outstanding Account

We have recently sent you a number of letters to remind you that the balance of $ was overdue.

We ask again that if you have any queries or are not able to make full payment immediately, please contactus.

If neither of the above applies to your situation please organise for the settlement of the remaining balanceimmediately.

Payment of your account has now well exceeded our normal credit facility and we are not in the position to be able to allow this matter to continue unresolved indefinitely.

Regards
